Debtor(s)

NOTICE

The following plan proposed by the debtor contains provisions which may significantly affect your rights. If you need additional information to determine how your rights might be affected, you may attend the meeting of creditors, obtain copies of schedules and statement of financial affairs from the court's website at www.waeb.uscourts.gov, or seek the advice of an attorney.

A creditor who wishes to oppose the plan may do so by filing a timely objection to the plan. Any objection must be in writing, filed with the court and served upon the debtor, debtor's counsel (if any), and the Chapter 13 Trustee no later than twenty-eight (28) days following the service of the plan or within seven (7) days following the conclusion of the meeting of creditors, whichever is later. The provisions of the confirmed plan will bind the debtor and each creditor, whether or not they have filed a proof of claim.

A proof of claim must be filed by or on behalf of each creditor, including secured creditors, in order for the creditor to be eligible to be paid by the trustee. The trustee will treat the amount stated on the filed proof of claim as the amount of a creditor's claim unless otherwise determined by order of the court. See the notice of commencement of case for the claims bar date, the date by which a proof of claim must be filed in order to be treated as timely filed.

Certain pre-confirmation distributions are authorized to be made by the Trustee based on provisions of the plan. Once the plan is confirmed, the Trustee will make payments based only on the proof of claim. Where no proof of claim is filed, no further distribution will be made.

If the base amount is ultimately insufficient to pay those creditors required to be paid in full under the plan, (i.e. administrative expenses and/or secured, executory contract/unexpired lease, arrearage/default, priority and separate classification claims) the base amount will be increased to the extent necessary to fund the plan

II. DURATION OF PLAN

Payments shall be made over a period of not less than 36 months nor more than 60 months, unless debtor pays all creditors in full in less than 36 months. Estimated length of plan is 60 months.

A monthly payment of less than \$15 on any particular claim shall not be distributed, but may be accumulated and distributed each time the aggregate amount of accumulated funds is \$15.00 or more. Pre-Confirmation Payments: Prior to confirmation of the plan, the Trustee is authorized to make monthly pre-confirmation payments to creditors in the amount of the monthly disbursement set forth in sections III.A.2, III.a.3 and III.A.4. Pre-confirmation payments shall be made in the sequence set forth below.

Post-Confirmation Payments: A proof of claim must be filed by or on behalf of a creditor, including secured creditors, in order for that creditor to be eligible to be paid by the Trustee pursuant to the terms of the plan.
